

"BELIEVING IN THE POSSIBILITIES"

Easter Seals Camp Sunnyside History – the Beginning of a Dream

Sharing their joy in watching a dream come true, Mr. and Mrs. Clarence Yarn are the final speakers on the program. They gave the land on which the camp buildings will stand.

Volunteers were largely responsible for the construction of Easter Seals Camp Sunnyside's buildings. In this picture from the late 1950s, members of Bricklayers Local 2 work on a building foundation.

Easter Seals was founded upon the premise to “believe in the possibilities” and that mantra has carried the organization through nearly nine decades of supporting Iowans.

Camp Sunnyside's Impact

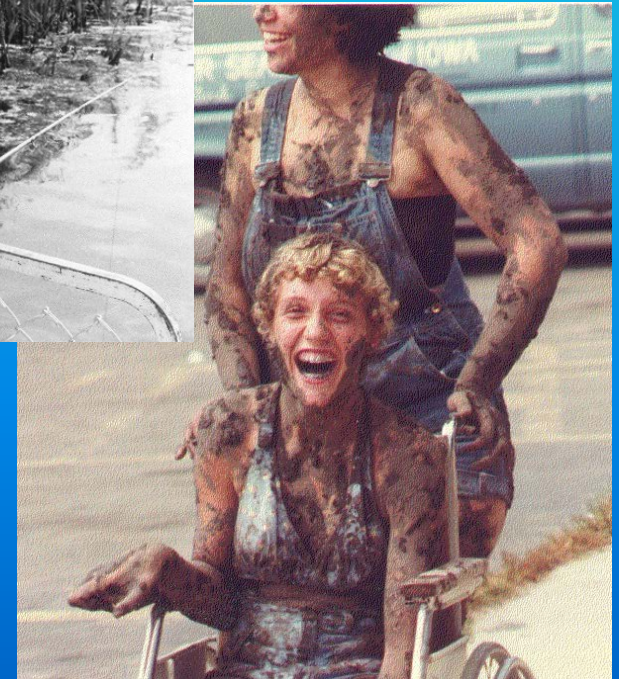

Mission Statement

To provide exceptional service
to ensure that all people
with disabilities or special needs
and their families
have equal opportunities to
live, learn, work and play
in their communities.

•Easter Seals makes a difference in the lives of those with disabilities or special needs, and their families, to ensure a quality of life we all deserve by seeking independence and respect for all.

Individuals with disabilities have to face challenges every day – they shouldn't have to face them at Camp Sunnyside.

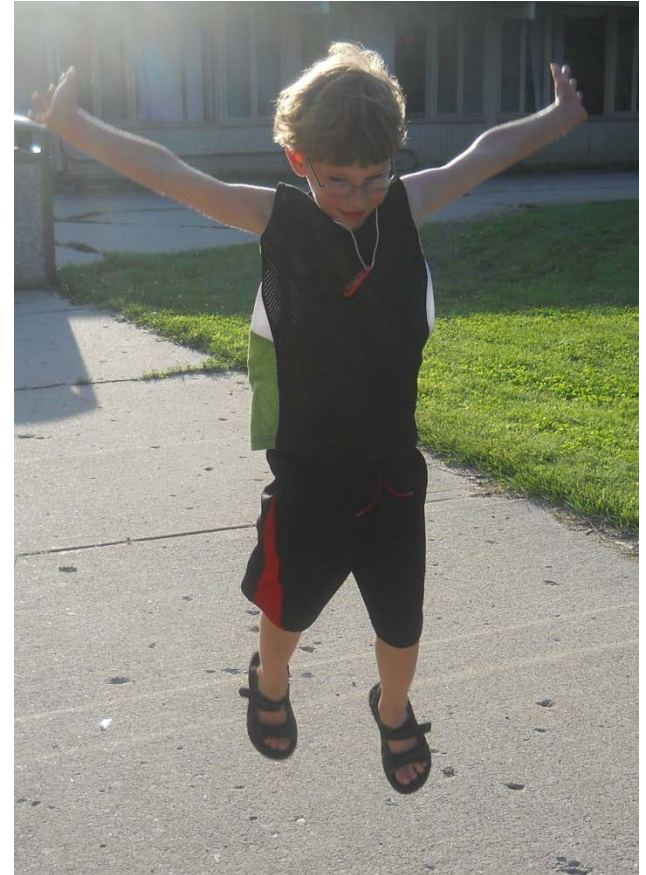

This isn't simply an investment in bricks and mortar; it is an investment in people.
